

BOARD OF ELECTIONS

90.401 HELP AMERICA VOTE ACT – REQUIREMENTS PAYMENTS

Program Description: Assists states in meeting the Uniform and Nondiscriminatory Election Technology and Administration Requirements regarding voting systems standards, provisional voting and voting information requirements, computerized statewide voter registration list requirements and requirements for voters who register by mail. It also funds activities to improve the administration of federal elections.

Formula Description: Awards are based on the certification statement filed by the state. The General Services Administration disburses the Title II requirements payments to the state.
