

MARYLAND PUBLIC TELEVISION (MPT)

12.678 MOTOR WEEK ENERGY

Program Description: MPT's national television program, MotorWeek, cooperates with the U.S. Department of Energy in a national educational campaign regarding alternative fuels and the vehicles that use them. This includes flexible fuel vehicles, those that use natural gas, propane, methane, ethanol, and hydrogen, including fuel cells. Program content also includes the emerging field of hybrid electric vehicles, and consumer and commercial/government applications for all of these alternative fuels.
