

# BOARD OF ELECTIONS

## 90.401 HELP AMERICA VOTE ACT – REQUIREMENTS PAYMENTS

**Program Description:** Assists States in meeting the Uniform and Nondiscriminatory Election Technology and Administration Requirements regarding voting systems standards, provisional voting and voting information requirements, computerized statewide voter registration list requirements and requirements for voters who register by mail. It also funds activities to improve the administration of federal elections.

**Formula Description:** Awards are based on the certification statement filed by the state. The General Services Administration disburses the Title II requirements payments to the state.

## 90.404 HAVA ELECTION SECURITY GRANT – REQUIREMENTS PAYMENTS

**Program Description:** The purpose of this award is to improve the administration of elections for Federal office, including to enhance election technology and make election security improvements to the systems, equipment and processes used in federal elections. Consistent with the requirements of HAVA, the grant is to be used for replacing voting equipment that only records a voter's intent electronically with equipment that utilizes a voter verified paper record; implement a post-election audit system; upgrade election related computer systems to address cyber vulnerabilities identified through Department of Homeland Security, or similar scans or assessments of existing election systems; facilitate cybersecurity training for state chief election official's office and local election officials; implement established cybersecurity best practices for election systems; and fund other activities that will improve the security of elections for Federal office.

**Formula Description:** Awards are based on the certification statement filed by the state. The U.S. Election Assistance Commission disburses the Title I requirements payments to the state.
